

THE SITE PLAN

There is something for everyone at this exclusive gated community on Lake LBJ...watersports, fishing, swimming at the private lakeside pool... a round of golf at the nearby Tom Kite designed Legends Golf Club... dining on your veranda while the sun sets over the tranquil harbor. There is simply no place on the lake that compares. Choose a homesite and secure your dream of lakefront living or let us build a waterfront villa just for you.

Please visit our website for more specific information on all floorplans and prices.
